THE
HISTORICAL LIGHTING SOCIETY OF CANADA

Founded in 1981, the society is for all who have an interest of lighting of the past, and attracts membership from across Canada, the U. S. and abroad.

With a mandate to gather and share knowledge, to encourage study and research, to obtain and record relevant material, and to liaise with other organizations having parallel interests, the Society welcomes all those with a casual or beginning interest in historical lighting, as well as those for whom it is a major avocation.

The HLSC meets twice yearly, Spring and Fall, in varying locations. These day long general meetings feature: a hospitality room, lunch, a short business meeting, a keynote speaker or panel, show & tell and theme tables, a silent auction and dinner. Prospective members and guests are welcome

The HLSC publishes a quarterly newsletter, the HLSC **CONTACT**, with information about meetings, lamp auctions, and other topical material, and a companion annual publication, the HLSC **FONT *& Flame,*** a more formal publication containing catalogue reprints, patent drawings and information, and featured articles on kerosene lamps, burners, chimneys and lighting accessories

NEW MEMBER
